

MEAN OLD WORLD

From 2009's "What This Country Needs"

(CHORUS)

**You must be tired of this mean old world
And how it's treated you
You've done everything they wanted you to do
But still it seems the heartaches keep coming through
You must be tired of this mean old world
And how it's treated you**

Verse 1

Tell me all your troubles and I'll listen
I'll be right here to hold you when you're down
And give you all the love that went missing
And take away this misery you found

Verse 2

After all these years you're still smiling
The sun comes up to shine on a brand new day
Life ain't always fair but you're still trying
To hold on to the one that slipped away
