

SHOW ME WHERE IT HURTS

From 2009's "What This Country Needs"

(CHORUS)

**Show me where it hurts
And I'll kiss and make it better for you
I'll show you how it feels and you'll see
That every word I say is true**

Verse 1

He took your heart and he played it like a toy
But that's what happens when you're playing with the boys
I'll take the rest of my life and then you'll understand
What it's like to love a man

Verse 2

So don't give up now and go home
You're not the kind that should ever be alone
It doesn't matter baby where you say you've been
This night don't have to end
